Scripture Text: Revelation 19:4-5 MSG

SUBJECT: "Cut Lose With Your Best Praise"

INTRODUCTION: I hope you have come this Sunday morning with eagerness and expectancy.

Eagerness to hear a word from the Lord – expecting God to move in your life.

No doubt many of you may have been dealing with:

- difficulties and disappointments
- troubles and temptations

As I build my case this morning, I believe if we are to truly appreciate the reality of worship we must understand the significance of the how and where worship and life blend together.

Simply speaking what's in it for me.
