Scripture Text: Psalm 121 NLT

Key Verse: Psalm 121:1

Subject: Looking In The Right Place

Introduction: In today's text the psalmist gives some hope to those who may have been looking in the wrong places far too long.

It's important for us to understand that success or failure; victory or defeat so oftentimes in life depends on where one looks in their time of need.

In a world of messed up and misguided people it's of the utmost importance where we look for guidance and support.

Erich Sauer wrote: "If you wish to be disappointed, look to others. If you wish to be encouraged and experience victory, look upon Jesus Christ."
