Scripture Text: John 19:1-6 NKJ

SUBJECT: "I Find No Fault In Him"

INTRODUCTION: I believe it would be safe to say that we are living in a day and time where people seem to always see the mote in someone else's eye and not the beam in their own.

Funny how we as a people have a way of always being able to point out the imperfections or defects in others but not ourselves.

We live in a society that loves to point fingers.

And yes, people always seem to play up the negatives and downplay the positives about the church.

But I challenge you with the thought that I find no fault with the Great Head of the church who is Christ Jesus.
