Scripture Text: Psalm 40:9 & 10 MSG

SUBJECT: "Can't Keep It To Myself"

INTRODUCTION: Our text this morning comes from what is considered Israel's "Prayer and Praise Book."

In this fortieth number of Psalms David begins by remembering what God had already done in his life.

Sometimes it's just good to remember:

- where God has brought us from
- if God never does anything else for us, He's already done enough
- that we are truly blessed
