Scripture Text: Hebrew 9:27-28 NLT

SUBJECT: "Jesus Is Coming Back"

INTRODUCTION: On Easter there was a lot being said in the church about the death, burial, and the resurrection of Christ, and most assuredly there should have been, but I caution some this morning that the story does not end there.

In Christendom we love to share the good news of Christ's first coming; we shout on Resurrection Sunday, yet the body of Christ is somewhat silent as it relates to the fact that one day Jesus is coming back.

For whatever reasons our churches are somewhat quiet as it relates to the teaching of the Second Coming of Christ.

There are some religions that don't believe in the Second Coming of Christ.

And the question might well be asked this morning what does the Bible teach about the Second Coming of Christ?

The Bible not only teaches the bodily return of Christ, but the Word of God teaches the imminent return of Christ – it could happen at any minute.
