Scripture Text: Psalm 34:1-10 MSG

SUBJECT: "It's Time To Break Your Silence"

Introduction: As a believer, each born again Christian, must choose whether we will walk the path of praise or just continue to follow the avenue of the average. I would challenge your heart this morning with the thought that we must carefully consider which path we choose to walk.

Will you walk the path of praise which leads to bigger and better blessings, or will you be like millions of other Christians who are satisfied just walking the streets of the status quo.

As believers we must learn how to bless the Lord not just when we come to church on Sunday; not just because the worship leader or the preacher asks you to; not just when you feel like it; but we must learn to bless the Lord with purpose.

In essence believers must break their silence when it comes to praising the Lord.

Sermon Points:
