**Scripture Text: Psalm 100 NLT**

**Focus Verse: Psalm 100:3 NLT**

**SUBJECT: "It's Time To Get Your Praise On"**

**INTRODUCTION:** Throughout the pages of God's Holy Word, we are commanded to praise the Lord.

The word "praise" means to express approval or to rejoice in.

C. S. Lewis, a literary scholar and Anglican lay theologian said: "I think we delight to praise what we enjoy because praise not merely expresses but completes the enjoyment."

Praise is an active expression!

Every now and then, the fire that's shut up down on the inside of the saved and sanctified; that inward profession of faith that holds us to the Rock of your salvation, ought to show up on the outside as a crazy praise.
